

KIDS CAN HELP KIDS AT NORTH YORK GENERAL!

Did you know that North York General Hospital takes care of kids, big and small? From tiny babies to teens ... and even kids like you! NYGH looks after them all – but they can't do it alone!

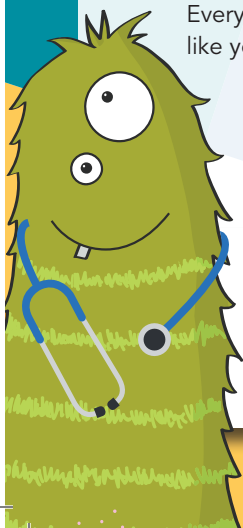

NYGH needs **YOUR** help to buy important equipment for our Paediatric Program.

Here's how you can help raise money for North York General:

- Make your next birthday an ECHOage.com party - you'll get a gift AND you'll help NYGH
- Start a lemonade stand
- Have a bake sale
- Host a dance or talent show
- Be creative and come up with a special idea of your own!

Every dollar you donate helps kids just like you!
