

NYGH: YOUR PARTNER IN PHILANTHROPIC GIVING

From tax management to family values, there are many motives involved in charitable giving. Once you are engaged in your client's philanthropic planning, North York General Foundation is here to help.

Our staff can provide information on making charitable bequests and establishing endowments, as well as gifts of securities, life insurance, RRSP/RRIF funds and real and tangible property. We would be happy to work with you to efficiently plan or process your client's gift and discuss recognition options.
